

SUPPORT LOCAL STUDENTS WITH STEAM LITERACY KITS

Science, Technology, Engineering, Art, and Mathematics (STEAM) fields enhance students' creativity, let them hone their critical thinking skills, and build their confidence and knowledge.

Make a difference in the lives of Title 1 elementary school students (K–3rd) in Orange County by creating fun and interactive STEAM literacy kits to promote early-grade literacy in STEAM.

Join United Way in this team-building volunteer opportunity!

Please note: all items must be new and placed in a drawstring bag or backpack.

Start Building Kits Today!
